Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: There was a discussion about the miscellaneous incoming letter of 03/12/07. Such letter has been made of record. The letter discusses spelling errors in the U.S. Printed Publication of the present application. It is noted that such errors do not appear in the original specification as filed, which is shown in eDAN. The attorney was/is advised to contact the publication department to make sure that such errors are not carried over to the patent publication document once the application becomes a patent (if applicable)  
The attorney can reach the publication department at 571-272-4200
